

BPAS is a national provider of retirement plans, benefit plans, fund administration, and institutional trust services. We make it our mission to simplify the complicated by delivering benefit-plan services that solve client challenges without the need to engage multiple providers. One company. One call.

We support 6,100 retirement plans, \$110 billion in trust assets, \$1.3 trillion in fund administration, and more than 910,000 participants. Of our participant count, 318,000 are Defined Contribution (DC) engagements. Our book of business includes nearly 50 DC plans with 1,000 or more participants. Our individual plans range from 1 to 13,000 participants. We also administer plans for more than 50 household-name clients. Here's a deeper dive into our DC business.

While large plan clients often request additional services, we deliver the same robust solution with first-rate service, expertise, and accountability to plans of all sizes. And, our vertically integrated structure and service model are saving time and work HR professionals. Our client surveys show that 95% of BPAS clients report a reduction in plan-related workload. That's why we earned top spots among the National Association of Plan Advisors (NAPA) 2022, 2023, 2024 and 2025 Advisors' Choice awards in multiple categories and markets.

Whatever the plan size, count on BPAS.
