

Introducing the

# BPAS U Financial Wellness Center

Financial wellness begins with you!

We're pleased to announce an expansion of our online BPAS U campus...  
The BPAS U Financial Wellness Center. Think of it as free higher education!

When we introduced BPAS University, the response was tremendous. Thousands of participants downloaded the app and are using it daily. It was clear you wanted more educational resources to help get on the road to financial security. We listened.

**BPAS U Financial Wellness Center is designed to give you a uniquely personalized experience!**

### Personalized and relevant content

based on your browsing activity designed to help guide you on your journey to achieving financial well being.

### A variety of content types

— from videos and articles, to calculators and interactive charts, plus tutorials and helpful links — there's something for everyone.

### Ask questions in a search format

to quickly find content that directs you to educational materials along with topic-specific action plans to guide you along your way.

Access the BPAS U Financial Wellness Center by logging into your account at [u.bpas.com](https://u.bpas.com). Look for the Planning section of your account.

Questions? We're here to help.
