Disclosures

This document lists Stable Value funds that are currently being traded across the BPAS Platform. To check the availability of a Stable Value fund not on this list, please contact your BPAS Sales Representative.

Plan sponsors and other investors should consider the funds' objectives, risks, and charges and expenses, and read the funds' prospectus carefully before investing. The funds' prospectus contains this and other information about the funds, including risks associated with each. Furthermore, this material is provided for informational purposes only and should not be construed as investment advice or an offer or solicitation to buy or sell securities. This material is not intended to be used as a general guide to investing, or as a source of any specific investment recommendations, and makes no implied or express recommendations concerning the manner in which any eligible plan or plan participant should or would be handled, as appropriate investment strategies depend upon the eligible plan or plan participant's investment objectives.

This material is provided solely on the basis that it will not constitute investment advice and will not form a primary basis for any person's or plan's investment decisions, and BPAS Inc. and its affiliates are not a fiduciary with respect to any person or plan by reason of providing the material or content herein. Plan fiduciaries should consider their own circumstances in assessing any potential investment course of action.

PAST PERFORMANCE DOES NOT GUARANTEE FUTURE RESULTS, WHICH MAY VARY. There can be no assurance that the Stable Value Fund will achieve its investment objective or that it will be able to maintain a stable NAV of \$1.00 per Unit. The value of investments and the income derived from investments will fluctuate and can go down as well as up. A loss of principal may occur.

Fact Sheets for each of the Stable Value Funds, which can be accessed by clicking the link in this document, are prepared by a third party which provides services to the Fund. While we believe the information reported in the fact sheets to be accurate and reliable, we do not guarantee the completeness or accuracy of the data reported. Past performance is no guarantee of future results.
